2019 SPONSORSHIP OPPORTUNITIES
P3Connect Sponsorship Opportunities

The National Council for Public-Private Partnerships (NCPPP) invites you to become a sponsor at P3Connect 2019 in Denver, May 15 & 16, 2019. P3Connect quickly has become the premier event for public-sector officials and private-sector innovators focused on advancing P3s nationwide. With an anticipated audience of more than 250 attendees, representing more than 100 public and private sector organizations, P3Connect 2019 promises to provide an opportunity for engaging and impactful networking opportunities.

P3Connect 2019 will be held May 15-16 at Embassy Suites by Hilton Denver Downtown. Keynote, discussion and workshop sessions will offer a comprehensive look at emerging issues within the world of public-private partnerships.

Founded in 1985, NCPPP is the leading nonprofit, nonpartisan organization focused on public-private partnerships. NCPPP advocates for the formation of public-private partnerships at the federal, state and local levels, and to raise the awareness of governments and businesses of the means by which their cooperation can cost effectively provide the public with quality goods, services and facilities.

P3Connect 2019 sessions will feature recent successes and challenges facing the industry led by federal, state and local officials, and private sector experts. The program will encourage interaction and collaboration among public and private sector leaders on the pressing issues facing P3s.

Why Become a National Summit Partner?

- Opportunities to increase visibility through sponsorship and advertisement
- Robust networking and outreach opportunities with industry leaders
- The P3 marketplace’s premier P3 conference

Complementing the array of private-sector executives, an impressive range of nearly three dozen public-sector organizations, from large federal agencies and state universities to cities and regional commissions, participated in previous P3Connects.
