## CONFERENCE ENDS

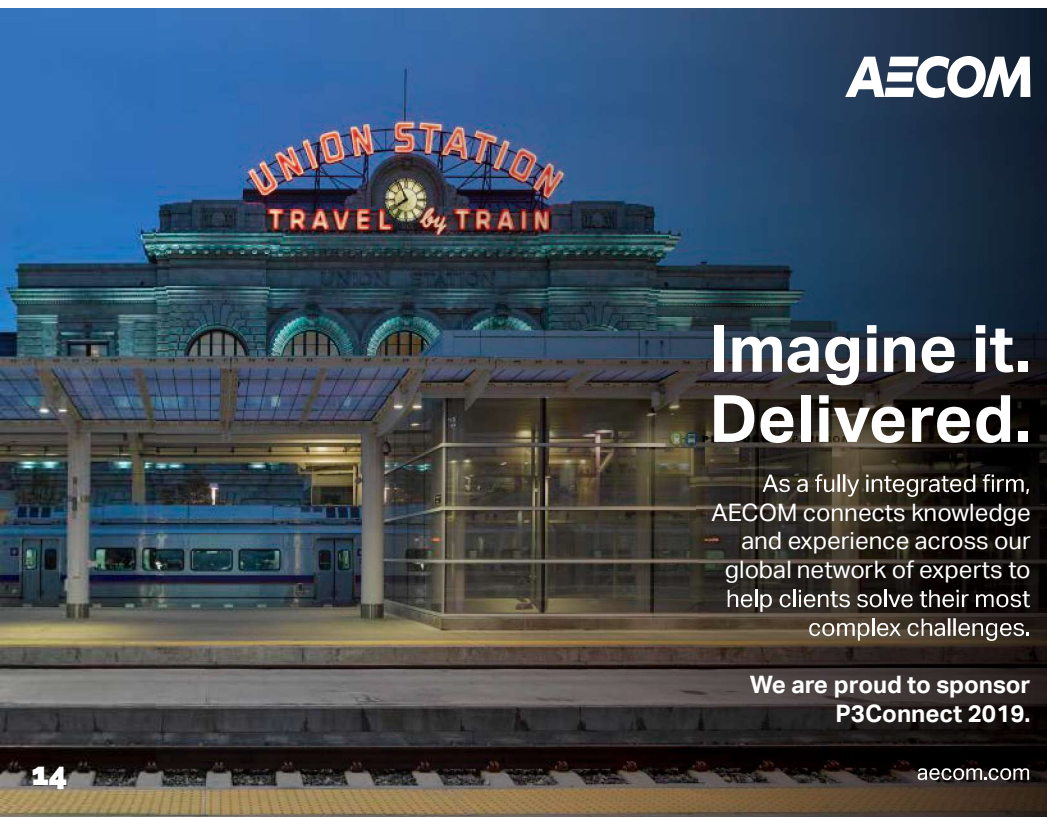

**YOU HAVE BIG PROJECT CHALLENGES.  
WE PROVIDE THE LEGAL ADVICE TO SOLVE THEM.**

Complex infrastructure and development projects increasingly rely upon a mix of private funding and public funds from federal, state, regional, and local resources. *Projects That Keep Life Moving*® reflects our singular focus on project delivery and execution of such projects. Over the past 16 years, we built our firm from the ground up to help clients manage and deliver projects with the benefit of our holistic approach to infrastructure.

Through our unique, comprehensive, and exclusive focus on projects, our attorneys have established a national reputation in the creative financing, procurement, and management of complicated public infrastructure and development projects.
